

The diagram illustrates a stacked architecture within a light red rounded rectangle. It consists of three vertically stacked white rounded rectangles. The top and bottom rectangles are labeled 'Local MHSA', and the middle rectangle is labeled 'Global MHSA'. Arrows indicate a bottom-to-top flow: an upward arrow from the bottom, a leftward arrow from the bottom to the middle, and an upward arrow from the middle. Similarly, a leftward arrow from the middle to the top and an upward arrow from the top are shown. The entire structure is enclosed in a thick black border.
